

MY FRIENDS

When are
you the
leader?

WALLY

TALK ABOUT IT:

Do you like to be the leader?
Who do you like to follow? What
do they do that you like? Would
you follow them anywhere?
Would you follow *everybody*?
Tell me why.

TRY THIS:

Play "Simon Says." Take turns
being Simon. Remember, don't
move unless "Simon Says." Play
"Follow the Leader." Take turns
being the leader. Try a game of
"Repeat After Me." Repeat what
someone says. Then, have the
person repeat what you say. Try
to make it hard for them
to follow.
