FOR A HEALTHY FUTURE

MY FRIENDS

What
would you do
if a bully
threatened
your friend?

WALLY

TALK ABOUT IT:

Has a bully ever bothered you? What happened? What could you do if a bully threatens you? Would you fight? Would you walk away? Tell me why. Has anyone ever helped you when a bully threatened? What did they do?

TRY THIS:

Ask someone to help you decide 3 things you could do if a bully threatens you or a friend. Practice with a friend what you will say and how you will act. Act out your ideas for a parent or teacher.
